

The Alyce and Elmore Kraemer Cancer Care Center

Cancer Care Fact Sheet

St. Joseph's Hospital and West Bend Clinic cancer care experts treat and cure cancer with surgery, radiation therapy, and chemotherapy. The Alyce and Elmore Kraemer Cancer Care Center, the only comprehensive cancer care center in Washington County, offers chemotherapy and radiation therapy for all kinds of cancer.

The center combines the latest technology with customized treatment in a caring and patient-focused environment. Patients benefit from individualized treatment plans developed by a multidisciplinary team of cancer professionals, including board certified physicians in medical oncology, radiation oncology, and surgery.

The Cancer Care Center has more than 10,000 patient visits annually.
